

Data Protection Statement

Dear Parents,

You may be aware that from May, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe, and will strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our privacy notice and our Data Protection policy. You will find both under the policies section of our website.

As part of our work to comply with the GDPR, we are also re-seeking consent for using photographs or videos of your child on our website, internal displays or other school materials/other consent. You will find this form [here](#).

If you have any questions about how the GDPR affects you, or how our school is preparing, you can contact Semira Asfaw at learn@rosemaryworks.com or via the School Office at 0207 739 3950.
